

# New Property Coverage: Commercial or Residential Flowchart

**\*DISCLAIMER: THIS FLOW CHART IS INTENDED TO ASSIST IN THE SELECTION OF THE APPROPRIATE SLTX COVERAGE CODE AND SHOULD ONLY BE USED WHEN THERE IS NO CLEAR INDICATION WITHIN THE DEC PAGE OR POLICY FORMS OF EITHER "RESIDENTIAL" OR "COMMERCIAL" CLASSIFICATION.**

**\*Note:** This is only once all of the previous questions are answered "No."

**NOT ALL** policies that contain "Estate of" or "Trust" are residential; however, if it doesn't meet any of the preceding criteria, it is more likely to be residential.
